They recommend the Double Century RXL for what we do because of its price point and its functionality. The things I look at in a rain jacket is it's breathability/ventilation so it doesn't turn into a sauna (Pit zippers, rear ventilation, etc.), waterproofing and will it roll up and go in my back pocket where I can get to it easily..

To make a purchase, go to their website "showerspass.com" pick the item(s) you want and during check out add, **policeunitytourteam17**, in the coupon code section and it will show your discount.
