

UNITY TOUR OVERNIGHT TRAINING RIDE

April 7th & 8th, 2018 – Saturday & Sunday

Rain or Shine

This is a 2-day Pre-Ride. On April 7 & 8th, 2018, we will meet at Devonshire Station at 0700 hours. We will ride to the city of Ventura, to The Country Inn & Suites. This is approximately 85 miles. The next morning (April 8th) we will get breakfast at the Country Inn & Suites and ride approximately 85 miles back to Devonshire Station. We will ride in one group at a pace that mirrors the Unity Tour (approximately 15 mph average). Some of the terrain is hilly and at times challenging but everyone always makes it. This training ride is a good gauge of your fitness level and will help determine how to train for the final weeks leading to the Tour. We are hoping for a 100% turn out so you can get to know each other, become use to riding together in a group and helping each other work through the ride. If you feel you aren't ready yet, come anyway, WE WON'T LEAVE YOU BEHIND. There is full support for the riders to help. If you feel that you are ready and don't need the ride, come and help others. Please remember, this is the UNITY TOUR and we are one. All support members should attend as well. We will provide lunch and snacks, drinks/water at the rest stop.

How to Make Hotel Reservations:

You will need to contact the hotel directly and register under **Group Code will be published soon.** Reservations must be made to guarantee the room rate will be around \$95.00 plus tax, (single or double, Manager's reception-beer wine soda and light snacks on Saturday night and breakfast on Sunday). If you choose to split the room cost with a roommate, etc., you must make the arrangements yourselves. If your roommate is a member of the chapter, rider/support please provide their name when making the reservation so we know how many are coming. Spouses/others are welcome to join us at the hotel for the evening and dinner.
