

## UNITY TOUR OVERNIGHT TRAINING RIDE

**April 6th & 7th, 2019 – Saturday & Sunday**

**\*Rain or Shine\***

This is a 2-day Pre-Ride. On April 6 & 7th, 2019, we will meet at Devonshire Station at 0700 hours. We will ride to the city of Ventura, to The Amanzi Ventura hotel. This is approximately 85 miles. The next morning (April 7th) we will ride approximately 85 miles back to Devonshire Station. We will ride in one group at a pace that mirrors the Unity Tour (approximately 15 mph average). Some of the terrain is hilly and at times challenging but everyone always makes it. This training ride is a good gauge of your fitness level and will help determine how to train for the final weeks leading to the Tour. We are hoping for a 100% turn out so you can get to know each other, acclimate to riding together in a group and helping each other work through the ride. If you feel you are not prepared, come anyway, **WE WON'T LEAVE YOU BEHIND**. There is full support for the riders to help. If you feel that you are ready and do not need the ride, come and help others. Please remember, this is the **POLICE UNITY TOUR** and we are one. All available support members should attend as well. We will provide lunch on Day 1. Snacks, drinks, water will be available on the rest stops on both days. The costs are free to registered Police Unity Tour members. If you are a past rider, or a relative of a current registered member, we welcome you to attend. Please register for the ride so that we have enough lunch on Day 1, as a consideration, nonmembers, please donate a minimal appropriate amount to cover your costs.

### ***How to Make Hotel Reservations:***
